NEW DIGITAL CLOCKS

During the Australian Championships held in Melbourne the club had the opportunity to purchase another 20 clocks at advantages prices bringing the total to 51

This would surely mean that we have enough I hear you cry.

No it is not and we had to borrow another 6 from the VCA.

Therefore our request for donations is still current and it is still \$90 for which you will have your name as the donor engraved on the clock and you will receive one of the better analog clocks from the club supply.

Support the re-equipment of the club and make a donation.

POSTPONEMENTS

If you need a postponement, you must ask the club captain **Gerrit Hartland** 9 878 3163 or the arbiter for the tournament for a postponement as early as possible, but no later than 24 hours before the start of the game. If he agrees to your request, you must then ask your opponent, if he or she agrees to an alternative date, which should be no later than the Wednesday following. If your opponent does not agree to your request, and you still cannot play, you will have to stand out of the draw for that round. Whatever happens you must inform the captain or the arbiter of your arrangement, and of course inform him of the result of your game.

Other rules

- A player cannot postpone a final round game.
- A player who forfeits 2 games may be withdrawn from the tournament.
- A player arriving at the board 1 hour after the scheduled start forfeits the game.

TWO XMAS RATED SWISSES

On pages 3,4 and 5 you will find the cross tables of the Xmas rated swisses, swiss tournaments actually, swiss must be an adjective surely. One hundred twenty seven entrants on Tuesdays and Fridays did battle under the quick play rules. John Nemeth broke through for his first tournament win at the club in part due to a remarkable win in round 3 against Geoff Hilliard where John in a seemingly hopeless position with a few seconds left mated Geoff who still had 20 minutes but tried to out-blitz his opponent. As the club has now almost sufficient digital clocks for any tournament this may well have been the last of the quick play guillotine finishes at the club.

Other juniors Michelle Lee, James Wan, and Rukman Vijayakumar all did very well to finish in the equal second group.

In the Tuesday event no junior upset as Arie Meydan Derek Parker and Trevor Stanning kept the opposition at bay. A very good result for Andrew O'Connor who finished equal fourth with dad, but was alphabetically in front.

The score table for the Friday swiss may be a little confusing in regards to the number of rounds The computer lumps cross round postponed games into a separate round, in this case round 4, but there were indeed only 7 rounds played.

AUTUMN CUP [in progress]

With an entrants list of 112 players our Autumn cup tournament continues its popularity amongst members and visitors. The acquisition of the separate analysis room has done much to improve player comfort as now both rooms can be used for competition in good conditions.

Unfortunately there have been a somewhat larger than usual number of withdrawals, some of which were forced others which were not. One senior visiting player bowed out after a loss to a talented newcomer because he thought he could not win any prize money.

Do people actually play for money? At Box Hill?
