## 2011 Autumn Cup first of the Joy Raine Grand Prix tournaments

The notice last week of our popular Autumn Cup tournament had an almost immediate impact with the entry of Eugene Schön as the earliest of early bird entries. Eugene has a pretty tight schedule as he plans to play in the Australian Junior and follow this up with participation in the Oceania Zonal in New Zealand, and in a remarkable coincidence Leon Kempen the second entry in the Autumn Cup will also be playing in The Zonal. The third entry David Flude is not going anywhere. The fourth entrant Karl Zelesco we presume will be playing in the Australian junior

We the organisers hope for a bumper entry this year after the somewhat disappointing attendance at the Canterbury Summer

Swiss.

There was a very good crowd last year with 78 participants with the winner Chris Wallis at the start of a very successful year He was 1/2 point clear of FM Doug Hamilton and a further 1/2 point ahead of Eugene Schön. The rating group winners were:

- Group 1 Eugene Schön
- Group 2 Tom Narenthran / Isaac Ng / Simon Schmidt
- group 3 Zeljko Podvorac
- Group 4 Jim Cannon
- Group 5 Joshua Devarajh
- Group 6 Peter Tsai / Barry Gray
- Group 7 Karl Zelesco
- Group 8 Matthew Cheah

The players who participated last Friday night include Bill Kerr, returning to the Club after decades of absence; he is a previous Club Champion and is enjoying the challenge of Fischer random. And Robert Bartnic who holds a State title and is playing at our Club venue for the first time; another strong challenge.

Canterbury Junior Chess Club has been running monthly Rookies since the year 1999. But a January Rookies is a bit of a novelty for us; the first January Rookies was last year, 2010.

The 2011 January Rookies held Sunday 9/1/2011 was success with 48 entrants including quite a few first timers from Deepdene Primary School. Deepdene excelled itself last year by winning the State Primary School team title, and then following it up with a win in the Australian title. To be the best primary school team in Australia at chess is really something. Quite quickly Deepdene has become a centre of excellence for school chess.

Attending yesterday were some 'old' members, John P Wong and Ollie Xue, amongst others who were using the Rookies as a warm-up for the Australian Junior Titles to be held in Croydon Victoria later this month.

The J1 division was won by James Morris, again, and this time he also collected a Chessbase DVD package kindly donated by Rad Chmiel.

The adults division had 16 members, with David Hacche collecting first prize.

Thank you to Bobby Yu's mother Kathy for running the canteen during the afternoon.

Combinations have always been the most intriguing aspect of Chess.

The masters look for them, the public applauds them, the critics praise them. It is because combinations are possible that Chess is more than a lifeless mathematical exercise. They are the poetry of the game; they are to Chess what melody is to music. They represent the triumph of mind over matter" (Reuben Fine)
