## The Box Hill Masters 2011

After the first announcement last week tournament organizer David Flude has 4 confirmed entries:

Karl Zelesco	FIDE rat.1809	ACF 1647
Enoch Fan	FIDE rat.1796	ACF 1457
Octavio Martinez	FIDE rat.1887	ACF 1820
Max Chew Lee	FIDE rat.1532	ACF 1290

3 of the young lions and last year's runner up.

David says: The earlier you enter the more likely you are to be able to play. Also early entries make life much easier for the organizers. This is because we must have exactly 10 players if we have one group and exactly 20 players if we have two groups. There will be one or two emergencies who can be slotted into the tournament if we have a last minute withdrawal.

You sit at the board and suddenly your heart leaps. Your hand trembles to pick up the piece and move it. But what Chess teaches you is that you must sit there calmly and think about whether it's really a good idea and whether there are other better ideas" Stanley Kubrick
