So another Vic Open Championship has come and gone. 86 entrants almost but not quite made it to the top of last year's 89. and Erik Teichmann showing us again how well he plays these short swiss type tournaments. This year our own Bobby Cheng could not stay with him but Domagoj did who by the way reminded us that he also came equal first a few years ago with Igor Goldenberg. The club's top juniors did not quite make it this year Bobby struggled. Laurence, Karl and Michael and Ari were near but not quite there It was Max coming from rating group 4 [and picked up the group4 prize] who did well. A special mention should go to Vineetha who won group 3 I have not seen her play this well before Prize winners and more photos on page 4. Below Geoff v May Yi. Bottom winners all [Equal third]

The excursion of the B division into the Top group become more frequent as the tournament progresses and the top players in B keep on catching up with the bottom of the A group.

In this round we have we have Foo [Kit Ming], Gluzman, Dale [finley] Fielder, Chew, Chew Lee [Adrian], moving out of their comfort zone. Mind you there are some interesting match ups within each group as well. I see Tanya finally gets to play a senior player. I hope it will bring out the streak of ruthlessness she misses when playing small children and I suppose the same applies to Elliott. I expect Khurram to improve his position now that I have fixed up his name and FIDE id Cannot do much about the ratings themselves though. It is all in the mind as Mirko found out over the week end. Blundering even extends to the very top when fatigue creeps in

**We are not making enough use of the analysis of club games Michael is providing as part of his column in this news sheet. There have been some crackerjack games in this championship.
