In the last round Eugene will face Jason his strongest opponent after his win against Jesse. Should be interesting to watch. These 2 players hardly ever leave the board during play. They are a lesson to us all

zedChess Holiday Program at the Box Hill Chess Club 3 Rochester Road, Canterbury 3126

zedChess

The famous zedChess Holiday Program has now come to Box Hill Chess Club! We have been running in the Prahran area for six years and we are nearly always full to capacity. This program has a unique format which is both educational and lots of fun! Children are put into teams to undertake chess related activities – solve tricky puzzles, play in Simuls, learn about famous chess players, play games like Chess Hangman and Chess Charades, and many other cool games. The children earn points for their performance and at the end of the program the points can be redeemed for prizes – Glass Chess Sets, Angry Birds, basketballs, soccer balls and dozens more. And of course we have a challenging chess tournament each day with trophies for the top players.
